EQUAL HOUSING OPPORTUNITY

What is the South Shore HOME Consortium's First-Time Homebuyers Program?

This is a program of the South Shore Consortium that provides financial assistance to first time homebuyers that meet certain income requirements.

If you qualify, the Program can help your first home in three ways:

- 1. assistance with down payment and closing costs from the Consortium.
- 2. affordable mortgage financing known as the "Soft Second Loan Program" from Massachusetts Housing Partnership.
- 3. Housing rehabilitation assistance and lead paint hazard control assistance from the Consortium.

Do I Qualify for the South Shore HOME Consortium's Program?

 Look at the chart below to determine if your income is within the limits for the size of your household. You must count the income of all adult members of your household who will reside in the house. However, do not count any income of children under 18 or any income you receive for the care of foster children.

FIRST-TIME HOMEBUYER INCOME LIMITS (as of May 1, 2014)

(Note: These income limits are subject to change by the US Department of Housing & Urban Development).

Household Size	Maximum Annual Income*
1 person	\$47,450*
2 persons	\$54,200*
3 persons	\$61,000*
4 persons	\$67,750
5 persons	\$73,200
6 persons	\$78,600
7 persons	\$84,050
8 persons	\$89,450

^{*}One, two, or three-person households may have incomes of up to \$61,000 and still qualify for the Soft Second mortgage financing. However, they would not be eligible for Consortium down payment and closing cost assistance.

<u>Program for those with higher income</u>

If your income exceeds these limits, you may still qualify under another program that is funded through Mass Housing. This is a separate program and is not discussed in this material. If you want to receive information about this program, please contact them at (617) 854-1000.

2. If you have never owned a home or have not owned a home in the past three years. Displaced homemakers and single parents are considered first-time homebuyers even if they have previously owned a home. You must plan to use the home as your principal residence, and not as a second or vacation home.

- 3. <u>Please see matrix on page four that outlines the amount of homeowner down payment(savings, investments, etc.) required for each community.</u>
- 4. <u>All homes purchased through this program must be located in South Shore Consortium Member Communities (Quincy, Weymouth, Braintree, Holbrook, Milton)</u>. Although you do not have to be a current resident of these communities local residents may be given priority.
- 5. The property must be decent safe and sanitary before you move in. The property must be free of lead paint hazards (chipping paint, worn window frames, etc.) and it must meet Section 8 Housing Quality Standards. These standards are found in the regulations at 24 CFR Part 982.401.
- 6. The purchase price of the home must be within certain price restrictions, which may include any necessary rehabilitation or lead abatement work required by the bank for mortgage approval and/or to meet housing codes. The rehabilitation work may also be undertaken after the house has been purchased. The home price limits are as follows:

FEDERAL HUD/HOME PRICE LIMITS (effective 01/14)

	New Homes	Existing Homes
Condominium	up to \$378,000	up to \$316,000
Single family	up to \$378,000	up to \$316,000
Two-family	up to \$484,000	up to \$404,000
Three-family	up to \$586,000	up to \$490,000

*Note: Price limits subject to change by Housing and Urban Development (HUD). *Massachusetts Housing Partnership soft second no longer has price limits.

HOW DOES THE PROGRAM HELP?

Down payments and closing costs can be large hurdles to purchasing a home. This is where the Consortium's assistance can be particularly helpful. The matrix below outlines amount

Community	Homeowner Down Payment Amount	Down Payment Assistance	Closing Cost Assistance	Project Limit
Quincy	3% of purchase price	Up to 9%	1%	Not to exceed \$20,000
Weymouth	1.5% of purchase price	Up to 3%		
Braintree	3% of purchase price	Up to 6%	1%	Not to exceed \$20,000
Holbrook	3% of purchase price	Up to 6%	1%	Not to exceed \$17,570
Milton	3% of purchase price	Up to 6%	1%	Not to exceed \$17,500

The South Shore Consortium provides various First Time Homebuyers Program options for you. The First Time Homebuyers Program may be used in conjunction with local Housing Rehabilitation Programs.

WHAT IS THE SOFT SECOND LOAN PROGRAM?

The second piece of the South Shore Consortium's program is called the "Soft Second" Loan Program, which is obtained through the participating bank of your choice and it is funded through the Massachusetts Housing Partnership and the State Department of Housing and Community Development.

After subtracting the total down payment, whatever amount remains is financed with a mortgage. Ordinarily, homebuyers apply for a single mortgage from a financial institution. The Soft Second Loan Program can help you by breaking a single large mortgage into TWO mortgages: a first mortgage for up to 75% of the purchase price, and a second mortgage for up to 20% of the purchase price. Why is this better than obtaining one single large mortgage?

Since the first mortgage is limited to only 75% of the price of the home, you will avoid the additional expense of private mortgage insurance, which can run several thousand dollars on a typical single FAMILY home, and is usually required by banks when a borrower has little equity in a property. Your first mortgage will function just as any regular mortgage you may be familiar with - you will begin paying principal and interest back to the bank monthly soon after closing on the house.

The second mortgage functions very differently. Unlike a regular mortgage, you re-pay only the interest on the second mortgage during the first ten- (10) years of the loan, but not the principal. Not only does this reduce the monthly payment due to the bank, but also depending upon your income, you may qualify for help in meeting the interest-only payment during this time. This means that those interest payments could be subsidized by the State over 10 years. If you qualify for assistance in meeting the interest payments, the amount of "Soft Second"

assistance would gradually decrease from year 6 through year 10. After year 10, you begin paying all interest and principal in your monthly payment just like any regular mortgage.

HOW DO I APPLY FOR South Shore CONSORTIUM ASSISTANCE?

- Contact the Community (i.e., Quincy, Weymouth, Braintree, Holbrook, and Milton) and obtain a referral to a local housing agency—NeighborWorks Southern Mass is the agency that provides FTHB services to the South Shore Consortium.
- Read over the enclosed application and gather the documentation listed on the last page of the application form.
- Complete the application and submit it, along with your documentation to the referral agency
- The housing agency will check to ensure that you are within the income limits for the program.
- The housing agency may also perform a preliminary credit check.
- If your application passes this review, you will be notified in writing, and a copy of your file will be sent to the participating bank of your choice. If you are not eligible, you will be informed of the reasons why and inform you of any possible options you may have.
- You will be required to participate in post purchase counseling if you receive a soft second loan.

In order to receive assistance you must also complete an approved First Time Homebuyer course. For more information on how to sign up for one of these courses, please call **NieghborWorks of Southern Mass** (617) 770-2227. www.nwsoma.org

WHAT HAPPENS AFTER THE BANK RECEIVES MY LOAN APPLICATION?

- First you apply to the bank to be pre-approved for a mortgage.
- Based upon your income, your debts, and the type of home you are interested in, the Bank will tell you what price range you can afford so that you can begin looking for a home.
- If you are eligible, the Bank will conditionally set-aside a Soft Second loan subsidy with the Massachusetts Housing Partnership, at which point you have 90 days to find a home.
- You locate a suitable house and sign a purchase and sale agreement.
- The bank will ask you to complete a residential mortgage application, and will perform their own credit and employment verification. The bank will make the final loan approval or denial
- If the loan is approved, the Bank sends you a commitment letter and a date for closing is
- If you are eligible for down payment and closing cost assistance from the South Shore Consortium, you will work with the housing agency in coordination with your bank to obtain the appropriate amount.
- The City of Quincy, on behalf of the South Shore Consortium, will provide a check for the closing. At closing, you will also sign a promissory note and other required documentation promising to repay the down payment assistance from the South Shore Consortium.

HOW LONG DOES THE WHOLE PROCESS TAKE?

The process varies from person to person depending on the applicant's ability to complete the requirements. We strive for a turnaround time of three weeks upon receipt of all required documents. All applications are processed in the order received and therefore the processing time depends on how many applications are received before yours. If you have already signed a Purchase and Sale Agreement, your application will be given priority. Most delays result because certain documents are missing from the application and it takes applicants time to complete the requirements. Banks can usually render a credit decision within 15 days and approved loans should usually close within 40 days of application. If you experience delays in the process, please do not hesitate to contact us.

KEY: Complete requirements as quickly as possible.

WILL THE Consortium ASSISTANCE HAVE TO BE REPAID?

South Shore Consortium Assistance

The goal of the South Shore Consortium is to help as many people as we can to purchase homes. In order to continue to do this we need to re-use the money we loan to people. What this means to you is that when and if you sell, take out a home equity loan or refinance the home, you must re-pay to the South Shore Consortium the same percentage of the sales price that is provided to you, including closing costs, at the time of your initial purchase. For example, if the South Shore Consortium provided you with a total of 9% to purchase a \$150,000 home (\$13,500), and you sell the house for \$200,000 after 20 years, you would re-pay 9% of \$200,000. The future price is defined as the value of the house established by an independent appraisal or the actual price at which the house is sold, whichever is higher. The appraiser must be licensed by the Commonwealth of Massachusetts and approved by PCD. The appraisal fee is paid by the owner. The re-payment is used to subsidize home purchases for additional first time homebuyers or for other programs providing affordable housing for low and moderate-income people.

If the net proceeds (selling price minus mortgage repayment and other selling costs) are less than the dollar amount of the South Shore Consortium assistance plus the homeowner's investment (down payment, principal payments and any capital improvement), the South Shore Consortium will reduce the amount of the re-payment that is due.

To enforce this above repayment promise, a lien will be placed on the property by the Community where the home is purchased, and the respective City will have the right to first refusal on the property.

Massachusetts Housing Partnership (MHP) Subsidy

When the home is sold, you take out an equity loan or refinance; you may be required to repay the MHP subsidy. If you sell within five years from the date of purchase, the full amount of the subsidy used up to that point is due. However, this amount, when combined with the other debt of the first and second mortgages, will not exceed 95 percent of the value of the property. If you remain in the home five years or longer, the MHP repayment is limited to the lesser of the amount of the subsidy used or 20 percent of the net appreciation gained at the time of sale.

South Shore Consortium First-Time Homebuyers Program Application

Before you complete this application:

Review your Credit History

It is important to know the status of your credit to know the status of your credit history before you attempt to purchase a home. If you are currently behind on any credit card, student loan, or other loan payments, or if you know that there are delinquent or unpaid accounts on your credit history, you should resolve these debts before applying to the South Shore Consortium First-Time Homebuyer Program. The South Shore Consortium cannot help persons whose credit history contains unpaid or disputed accounts, or does not show a history of responsible use of credit.

For information on how to obtain a copy of your credit report, contact the Consumer Credit Counseling Service at (617) 426-6644.

Review your Employment History

Financial institutions generally look for at least two years of stable income from steady employment in your line of work. If you have less than two years on your present job, have any gaps in your employment history, or have had a number of different jobs within the past two years, you should be prepared to explain these circumstances (such as school, military service, layoffs, etc.). If you cannot explain and document a stable income and employment history, you may want to wait until you have two years of stable income history before applying for a home mortgage.

Review your Personal Resources for the Downpayment and Closing Costs

There is no doubt that becoming a homeowner requires a substantial amount of money up-front! Although the South Shore Consortium can provide you with help toward your down payment, you must put down a percentage of your own funds (see matrix below outlining the requirements for each community).

Community Name	Homeowner Down Payment Requirement
Quincy	3% of purchase price
Weymouth	1.5% of purchase price
Braintree	3% of purchase price
Holbrook	3% of purchase price
Milton	3% of purchase price

Although the South Shore Consortium can provide you with help toward your downpayment, you must put down the minimum amount outlined above (depending on the community in which you are buying a home) You cannot use family gifts in place of your own 3% for the downpayment. You can only use family gifts to help pay closing costs or to boost your downpayment above the minimum that you must contribute yourself. Gifts can not be greater than 20% of the down payment.

The South Shore Consortium's assistance with downpayment and closing costs will not cover everything! Depending upon the type of home you are interested in buying (condo, single family ...), you should plan to have between \$3,500 and \$7,000 in easily-accessible funds to meet downpayment and closing costs.

Review your Asset Limits

Households will be ineligible for consideration under the program if;

- a) the household has equity interest in any type of real estate;
- b) the total value of household assets exceed \$75,000.

The City of Quincy Department of Planning and Community Development on behalf of the South Shore Consortium reserves the right to make the final determination of asset value.

Assets

- 1. Will be considered cash or non-cash item that may be converted to cash. See Inclusions and Exclusions.
- 2. The South Shore Consortium will use the **Market Value** of assets meaning the dollar value of the asset on the open market.
- 3. Assets owned by more than one person would be prorated according to the applicant's percentage of ownership. If no percentage is specified or provided by state or local law, the asset will be prorated evenly among all owners.
- 4. Applicants will be required to complete the FTHB Needs Assessment Form declaring all known assets.
- 5. Applicants will be required to provide documentation of each asset declaration. All estimated current asset value estimations must be provided by sources acceptable to the City of Quincy's Department of Planning and Community Development.
